## Boundary Fencing and Landscaping

When it comes time to move into your new home, there are a few things that you'll need to tick off the to-do list so we thought we'd help you out.

Landscaping comes as part of your beautiful new home at Banksia Grove. You will receive LWP's premium custom designed front garden package as well as side and rear fencing.

LWP Property Group is offering all residential land purchasers at Banksia Grove a front garden landscape starter package. This initiative demonstrates LWP's commitment to its residents and to the quality of the development.

The landscape package is designed to assist new land buyers to establish the basics such as irrigation, turf and planting to their front garden and serves to immediately improve the visual amenity of the streetscape.

Please contact the contractors listed below **6 WEEKS** prior to having key hand over of your home.

The contractors will need an email version of your site plan.

After you have made contact with the relevant contractors, they will liaise with you directly in regards to installation time frames.
