BGRA UPDATE

BY MICHAEL RICHARDS, BGRA CHAIRPERSON

I hope 2018 has started well for everyone.

The BGRA held its first meeting of the year on February 19 – the minutes are available on the Facebook page, or by emailing me on the address below. The minutes (as the meetings themselves do) give a good rundown on what the BGRA has been up to of late. The remaining BGRA meeting dates for 2018 are May 21, July 30 (AGM), and October 22. They are all Mondays and are held at the Banksia Grove Community Centre starting at 7.30pm. We hope to see you there.

If you are seeking to join the BGRA Facebook page, or the BGRA's Information Technology page please ensure that you provide answers to the three questions that you will be prompted with. Please also make sure you read the group rules on the pinned post once your membership is approved.

Next month will see two road safety initiatives targeted at school children in Banksia Grove.

The first is the installation (hopefully during April school holidays) of a Children's Crossing at the intersection of Pinjar Road and Splendens Ave, next to Joseph Banks Secondary College. This will operate before and after school and will be a manned

crossing to help school kids cross Pinjar Road. We are also seeking a 40kph School Speed Zone to be installed in the same area.

The second initiative will be the installation of pavement markings around the 3 schools targeting cyclists and promoting the use of helmets. These will act as visual reminders for the need to wear helmets, but it does remain the responsibility of parents and guardians to ensure your children are wearing helmets. This is definitely an area we can improve on.

The start of the earthworks this month for the Skate Park is an exciting development, and with its completion in July it will be the first of three significant community projects completed in the second half of 2018. The Council's Grandis Park Clubrooms are likely to open in September, and the Dog Park is expected to follow in December. All three are great enhancements for Banksia Grove.

Feel free to contact me in regards to any issues that you think the Residents' Association can assist with.

CHILD & PARENT CENTRE TURNS 3

The Child and Parent Centre – Banksia Grove celebrated its 3rd birthday on Friday 2nd February. This year the centre decided to go for something weird and wild....

We invited along West Oz Wildlife to join in the fun. Our families couldn't get enough of the adventurous animals they brought along on the day... a dingo, a koala, two lizards and two pythons.... Not only did our families get up close and personal with the animals and reptiles but the centre staff did also.

Mr. Hall, principal from Banksia Grove Primary School led the singing of 'Happy Birthday' on the day.

It was great to see so many families come and celebrate another wonderful year for the centre and our families.

THE GROVES GROOVY GRANNIES.

After a short break over Christmas and New Year it was back on board again for a few of us to offer our assistance distributing the drinks at the Australia Day Breakfast kindly donated by the Banksia Grove Developers.

Money raised from this venture amounted to over \$350-00 which will go directly to the Wanneroo Volunteer Fire Service who look after us and our properties so very well the whole 365 days of the year. Thank you Ladies and Gentlemen, your input is appreciated by all the residents of the Grove and the City as a whole.

The breakfast once again was well supported by families of all ages. Nationalities and abilities who spent a pleasant few hours in the beautiful Discovery Park. Thanks must go to:

- Isaac Freeman
- Joshua Watkins
- Tanya Lang

for helping us on the day. Well done

.A fond farewell from the group goes to Natalie Sutton who has decided to relocate to Donnybrook to be closer to her family. Best wishes from us all and hope to catch up on your visits to Perth.

NEW PRIMARY SCHOOL CONSTRUCTION SET TO COMMENCE

The state government has announced construction will soon commence on a new primary school in Banksia Grove.

The new school will be located adjacent to the St John Paul II Catholic Primary School between Grandis Boulevard, Alpina Promenade and Elderiana Link.

Construction is due to start this year, with temporary facilities for the first students in kindergarten and pre-primary to use in 2019.

The \$22 million primary school will officially open in 2020 and will include an administration building, library, staff room, early childhood building, three general classroom buildings, a covered assembly area, canteen, music room, hard courts, oval and parking areas. An early childhood facility will be onsite as well.

West Swan MLA Rita Saffioti welcomed the State Government announcement of the Grandis Boulevard school to service the eastern part of the suburb.

Ms Saffioti said a Banksia Grove east primary school was one of her key election commitments. "This is the delivery of a key election commitment for the growing area," she said.

Education Minister Sue Ellery and West Swan MLA Rita Saffioti promote the new school.
