# BGRA UPDATE

BY MICHAEL RICHARDS, BGRA CHAIRPERSON

Each year as I write my piece for the December Buzz it feels like the year has flown by quicker than the one before it, and this year is no exception. I hope 2018 has been a great year for all Banksia Grove residents. Welcome to everyone that was new to Banksia Grove this year. I hope you are enjoying living in the suburb. There is a lot to be very positive about in our steadily growing community.

The end of the year is always a good time to look back and also to look forward. Infrastructure wise, 2018 saw the opening of the Skate Park and the community clubrooms, as well as the Childrens Crossing on Pinjar Road, and Pinjar Road opening to Flynn Drive.

In 2019 improvements will include pedestrian safety around the shopping village on Joondalup Drive, more developments within the shopping village, the dualling of Pinjar Road (south of Joondalup Drive), and the first stage of Grandis Primary School. All exciting and needed developments.

The BGRA meeting dates for 2019 are February 18, May 13, July 22 (AGM), and October 21. They are all Mondays and all meetings are held at the Banksia Grove Community Centre starting at 7.30pm. We hope to see you there. If you can't make it to the meeting the minutes are always posted on the Facebook page, and are also available via email.

Remember to contact me via email in regards to any community issues that you think the Residents' Association can assist with.

Thanks to everyone that has assisted the BGRA this year. Your help is always appreciated. Finally, we wish all Banksia Grovians and your extended families, wherever they may be, a very Merry Christmas and a safe and happy New Year. All the best for 2019.

Two major community/recreation facilities were opened on Saturday 27th October with well supported community events provided by the City of Wanneroo, with support from Banksia Grove Development, to celebrate the completion of the Banksia Grove Skatepark and adjacent Grandis Park Sport Pavilion.

The skatepark was officially opened by Mayor Tracey Roberts and the large crowd enjoyed activities, entertainment and a skate competition organised by the City of Wanneroo Youth Services Team.

# GRANDIS PRIMARY SCHOOL UPDATE

BY STEPHEN BEVAN

Grandis Primary School started its life with the planning name of 'Banksia Grove East Primary School.' The school is named after the 'Banksia Grandis' tree as well as the road on which it is being built - Grandis Boulevard. The school is being built to cater for the quickly growing community of Banksia Grove. It will open in 2019 for Kindergarten and Pre-primary students and in 2020 for students in Kindergarten to Year 6.

The school will provide students with a high quality education, helping them to achieve to their full potential. The school will have a strong focus on social and emotional learning in order to develop resilience and build positive behaviors, with students being encouraged to 'treat others as they would like to be treated' and to strive at all times to achieve their personal best.

Staff at Grandis Primary School will work closely with local community members to establish and build positive relationships. The formation of a strong and proactive School Board and P&C will be important in order to provide community input into the direction that the school will take as we move forward. We look forward to working with our local community to build a distinctive school that encourages 'high performance' and 'high care'.

Artist impression of Grandis Primary School

Stephen Bevan was appointed as the foundation principal in Term 3 this year and has worked to engage with the community and build a strong team of staff. Trudy Jones (Deputy Principal) and Jackie Norman (MCS) were appointed in Term 4 to assist in preparing the school for its opening. During this time the community was engaged in the process of naming the school, deciding on its motto and logo and in designing its school uniform. A Steering Committee of interested parents was formed to assist in shaping the direction of the school.

Our motto at Grandis Primary School is 'Together We Achieve.'. This motto clearly expresses our strong belief that people need others in their lives in order to live and grow and learn successfully. Great schools are founded on strong relationships between students, parents and staff. These relationships foster and support growth that is positive and vibrant.

Our school logo depicts a birds-eye view of a Banksia Grandis flower. The yellow flower in the middle of the logo represents our students who are at the centre of everything that we do. Surrounding them are staff, parents and the general community which is represented by three concentric circles (leaves). This logo is a clear representation of the student centred focus that we have as well as the important role that the school community plays in supporting students to achieve their best.

The school is being built in two stages:

- Stage One (opening in 2019) will include transportable classrooms, storage areas and play areas for Kindergarten and Pre-primary students.
- Stage Two (opening in 2020) will include the remainder of the school with its permanent buildings and facilities. This will cater for students in Years K to 6. When completed, the school will include 5 teaching blocks, administration area, playgrounds, undercover area, library, dental therapy centre as well as multi-purpose courts and an oval which are being jointly developed with the City of Wanneroo.

We hope to have a school website online before the end of the year. For more information on the school and its activities check out the school Facebook page.

It's desirable urban living, but without any hassles, and at a fraction of the price.

## RITA SAFFIOTI MLA YEAR IN REVIEW

BY RITA SAFFIOTI

Since the March election in 2017, Rita Saffioti MLA has committed \$1million to schools and local community groups in the West Swan electorate.

Some of this money went to schools and community projects in Banksia Grove;

- \$20,000 to Banksia Grove Primary School for nature playgrounds and library resources.
- \$20,000 to St. John Paul II Catholic Primary School for nature playgrounds and library resources.
- \$20,000 to the Banksia Grove Parent and Children Centre for a new community garden.
- Overpasses at Joondalup Drive and Wanneroo Road and Ocean Reef Road and Wanneroo Road.
- \$100,000 to the City of Wanneroo for traffic calming throughout Banksia Grove.
- \$200,000 to the City of Wanneroo for a new Dog Park in Banksia Grove.

As a growing new suburb with young families, Banksia Grove needs high quality education services.

Banksia Grove will benefit from a new Primary School with \$1.8 million allocated for Grandis Primary School to open in 2020 and an extra \$3.2 million allocated to early childhood facilities.

Finally, we would like to thank the Banksia Grove Development for hosting the "Family Fun Day." Rita Saffioti MLA office was there and able to chat with families, local businesses and community groups within the area.

We look forward to more of these events in the New Year.
